

Kreitler Financial LLC proudly sponsored the recent “Around the World with ATLAS” gala event at the Neighborhood Music School, for the benefit of ATLAS Middle School. ATLAS Middle School is an academic theatre lab within the Neighborhood Music School.

Corporate sponsors, individual donors and many other members of the community raised \$90,000.

Guests enjoyed entertainment and food from around the world. Some of the performances at the event were Grammy-nominated MET Opera star Erin Morley, Broadway star Arielle Jacobs and hip-hop poet and playwright Aaron Jafferis

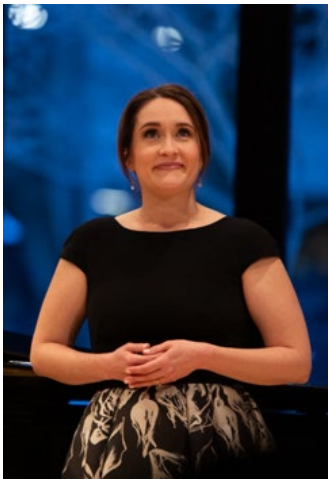

The image shows two side-by-side graphics. On the left is a vertical event poster for "Around the World with ATLAS". The poster has a black background with gold confetti at the top. The title "Around the World with ATLAS" is written in a gold, cursive font. Below the title, it says "Academic Theatre Lab on Audubon Street" in a smaller, teal font. Further down, it reads "An evening of star-studded entertainment, international food and drinks, and an auction" in a small, white font. The date and location are listed as "Saturday, March 2, 2019" and "100 Audubon Street, New Haven". At the bottom, there are logos for "NEIGHBORHOOD MUSIC SCHOOL" and "ATLAS". On the right is a white rectangular advertisement for Kreitler Financial. It features the company logo "KREITLER FINANCIAL" in a bold, black font, with "COMPREHENSIVE AND INDEPENDENT WEALTH MANAGEMENT" underneath. A horizontal line separates this from the slogan "PROUDLY INVESTING IN BETTER FUTURES." in a large, bold, black font. Another horizontal line is below the slogan. At the bottom of the ad, there is small text providing contact information: "265 Church Street, Suite 802 | New Haven, CT 06510 (203) 867-4396 | FAX (203) 867-4398 www.kreitlerfinancial.com" and a disclaimer: "Securities offered through Raymond, James Financial Services, Inc.
