

## Thursdays at The Graduate Club

*Come join us for a wonderful lunch and companionship.*

What an exciting world we live in and it is on everybody's mind. Potential topics are global challenges, what is happening in Washington, and the possible impacts on investing. We can even talk about what is happening in Connecticut. We all have different concerns and it is interesting to hear what others are saying. Hope you can make it.

We cancelled the March luncheon as the "blizzard" totally messed up our calendars. We hope all who signed up last time will sign up again and we will have a discussion more dynamic than ever before. If you haven't been able to attend recently, we think you will find this luncheon to be a lot of fun as well as a great way to meet new friends. Please feel free to invite a friend. It is a great way to introduce them to the Kreitler Financial Family.

*So we can be sure to answer your questions and talk about what you are interested in our luncheon is limited to 10 guests.*
