Kreitler Financial is pleased to invite you to an entertaining and informative event featuring Andy Friedman, one of the nation's most sought-after political speakers. He is the leading authority on economic policy and Editor of The Washington Update. Andy is known for predicting the outcomes of Washington tax and fiscal deliberations and providing strategies to consider in light of the changing political landscape. He will also share his strategies for investment and retirement planning.

Andy was a senior partner with the law firm of Covington & Burling in Washington, D.C., where he practiced for almost thirty years, serving as head of the tax and corporate groups. He received his bachelor degree as valedictorian from Trinity College in Hartford, Connecticut, and his law degree from the Harvard Law School. Andy also served as tax counsel to Major League Baseball, the National Football League, the National Basketball Association, and the National Hockey League. Andy appears on CNBC, which refers to him as "Wall Street's Tax Expert" and calls him "one of Washington's savviest political observers." Andy also has appeared on the Larry Kudlow Show, the Fox Business Channel, and POTUS radio, has been profiled in the Washington Post and Research Magazine, and is quoted extensively in publications ranging from the Wall Street Journal to USA Today.
